

Reading Journals (Thin Ruled)

Brigitte Brulz

Journal | 978-1075843587 | Ages 10+ | Softcover | 8.5 x 11 | 124 pg | \$6.95 Retail Price

Keep a record of all your reading with these reading journals that offer space to record a total of 100 read books, new words, and books to read in the future.

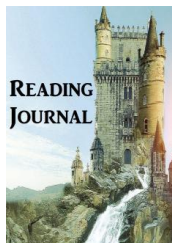

Interior contents include:

- A page to write the name of the journal owner
- Personalized Table of Contents
- Letter to Reader
- 100 pages to record 100 different books
- Space to record new words and their definitions
- Space to write the titles of future books to read

The letter to reader explains each section, tells what the different numbers of stars mean for rating books, the difference between fiction and nonfiction books with examples, and some ideas to include in the section for writing additional thoughts and comments.

Each of the 100 book pages offers space to write the book title, author, and number of pages, color stars for a personalized book rating, fill in a circle for nonfiction or fiction, write the date started and ended, and write any additional thoughts or comments about the book on thin ruled lines.
